

Upcoming Webinar:

Community Engagement for HIDTA Prevention

DECEMBER 8, 2020 3:00PM–4:30PM EST

Objectives

1. Describe the rationale for community engagement in establishing, implementing, and sustaining substance use prevention strategies in HIDTA communities.
2. Review evidence-based community engagement principles.
3. Discuss an approach for engaging community stakeholders in support of advancing substance use prevention strategies.
4. Develop initial steps for advancing community engagement in your HIDTA communities.
