Your generosity makes a HUGE difference!

Just look at what we have already accomplished thanks to your support and the support of many others.

Without your commitment and continued support, none of these important programs would be possible!

Dear friends and colleagues,

On behalf of the Oregon Association Chiefs of Police, I would like to welcome you to the 2022 fundraising auction! I am excited to be back in Bend for our conference! Like many of you, I see our annual conference as a major highlight of the year, allowing us the opportunity to better ourselves professionally while also reconnecting us with our dear friends, mentors, and colleagues from all corners of the State. I hope that our association will receive your continued support, interest, and participation in this event as it is greatly appreciated!

The proceeds from this year's auction will help **benefit several programs** such as:

- College scholarships for students studying Law Enforcement
- Parent Aid drug testing program
- Special Olympics and the Law Enforcement Torch Run

We sincerely thank all the very generous business and individual donors who have made this auction possible and who have donated **more than \$6000** of retail value in items! We would be honored to have your support for this event. Numerous auction items will be available for you to bid on. The bidding on the items will end at 1715 hours on Thursday, April 14th. Please plan on bidding and supporting your association.

Thank you for your continued support!

Respectfully,

Chief Don Taylor
