

THE EVOLVE EXPERIENCE

The Evolve Experience is a unique event that interweaves live and filmed performances of true stories from police officers, judges, and community members about their **experiences at the intersection of race and the justice system.**

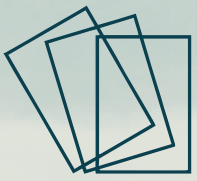

The Evolve Experience takes this divisive conversation out of the typical polarized, inflammatory rhetoric and into an environment where **open discussion is valued, diverse perspectives are welcome, and new thinking can emerge.**

“During my career, I have rarely encountered a presentation that is this **moving, life changing, relevant** and has the potential to produce a positive culture shift in communities and organizations.”
