Topic: *The City Manager – Police Chief Relationship: The Crucial Connection*

The City Manager – Police Chief relationship is a critical component in ensuring community safety is transparent, effective, and fully supported. The symbiotic nature of the Manager – Chief relationship has a direct impact on the safety and well-being of the community and can directly impact the local law enforcement agency. This presentation will focus on a ‘lessons learned’ viewpoint from a presenter who has held the titles of both police chief and city manager. This presentation will focus on the following: Ensuring effective law enforcement in your community through a united vision, enhancing public trust that starts internally, how to effectively request resources, developing policies while educating city leaders of their need, responding to city-wide crises, and the importance of effective communication with the city manager.
