

We've received overwhelming feedback after the ELTS conference of attendees wanting to see the four hour resiliency class, or wished the resiliency portion of our presentation could have been longer.

If you'd like to bring us out to your agency to present the four-hour resiliency course to your officers, please contact us at [joshua@bitskoconsulting.com](mailto:joshua@bitskoconsulting.com). We may be able to use NTTAC and CRI-TAC to help with funding. (Thanks Greg, CEO with Performance Protocol for the heads up!)

We are also developing our resiliency course into an online course, which will be launching in the spring. If you'd rather your officers take our resiliency course online, please subscribe to our newsletter at <https://www.bitskoconsulting.com/contact-us> for updates on when that will launch. The only caveat is this cannot be covered by NTTAC and CRI-TEX funds.
